NANCY HAYS

Best Of Broadway

A ONE WOMAN POWERHOUSE SHOW

The Best of Broadway featuring Nancy Hays, is an incredibly entertaining one woman show, designed to appeal to Broadway fans, young and old alike. Nancy is a seasoned actress who has starred in leading roles in Broadway series musicals. In addition to her outstanding theater credits, Nancy is a consummate entertainer who was an opening act in Las Vegas and elsewhere for legendary comedians—George Burns, Danny Thomas, The Smothers Brothers, Rita Rudner and others as well as musical stars including Tommy Tune, Conway Twitty, Kenny Rogers, Glen Campbell, Ronnie Milsap and many others. In addition, Nancy Hays was one of the last artists to headline at the Circus Maximus Showroom in Las Vegas (where Sinatra, Judy Garland, Dolly Parton and other icons played). She has sung the National Anthem for President Obama as well as Governors, Senators, Mayors and distinguished members of the military

Modeling her one woman show after Carol Channing's *Hello Dolly* stage program of yesteryear, Nancy Hays sings and dances up a storm, performing classic leading lady roles from America's most beloved musicals, changing her costumes 7 times in one continuous 75 minute show, or 10 times during the course of her 90 minute Two Act show (with intermission). The non-stop action keeps the audience musically and visually entertained and on the edge of their seats.
